We are excited to announce bestselling author, Taya Kyle will be joining us with her unique perspective as the wife of Chris Kyle, (The American Sniper). After losing her husband author Taya Kyle entered a period of deep grief. Yet the experience served as a catalyst for profound growth.

Taya found her own reserve of strength with the help of the generous love and support of family, friends, and also many strangers across America, who selflessly shared their own stories of suffering, survival, and triumph. Inspired by her experience, Taya discovered her calling: spreading a message of how love, passion, and service can combine to help us persevere over personal pain and heal our communities.
